

ENVIRONMENTAL POLICY

Jingxing Holdings (M) Sdn Bhd is committed to protecting both the local and global environment through responsible, sustainable and environmentally sound practices.

Jingxing Paper's Environmental Philosophy

- Green production, pollution prevention and sustainable development.

Our Commitment

We publicly commit to the following principles:

1. Compliance with environmental laws and regulations

We strictly comply with all applicable national and local environmental laws, regulations and other relevant requirements.

2. Pollution prevention and environmental protection

We take proactive measures to reduce, prevent and effectively manage pollution throughout all stages of our operations.

3. Continuous improvement and environmental leadership

We continuously enhance our environmental performance through strategic initiatives, the integration of climate change mitigation and resilience measures, and the cultivation of a culture of innovation, responsibility and accountability.

This Environmental Policy provides a framework for setting and reviewing environmental objectives and is communicated, implemented and maintained across the organization.
